

## Employment Experience

---

### **Medical Director and Anesthesiologist, April 2018 – present**

Yale-New Haven Health System / L&M Healthcare / Anesthesiology Associates of New London of Envision, New London, Connecticut

- Medical Director of Preadmission testing
- Medical Director of Pequot Surgical Center
- Develop Paramedic / EMS RSI-Intubation program for L& M Healthcare
- Anesthesia Quality Committee for AANL / L&M Healthcare
- Infection Control / Surgical Site Infection Control officer.

### **Tele-Health / Critical Care Physician, January 2015 – present**

Department of Tele-Health, Westchester Medical Center; Valhalla, New York

- Responsible for care: Adult Critical Care Service in four hospitals covering 100 patients.
- Critical Care services: admission, consults, procedural support, Code Blue mgt.

### **Section Chief, Anesthesia Critical Care, Post Anesthesia Care & Simulation, May 2009 – 2018**

Department of Anesthesiology, Westchester Medical Center; Valhalla, New York

- Responsible for care: Adult PACU anesthesia services, surgical & trauma critical care.
- E-ICU / Tele-Health Physician; Initial physician team member of the 100 bed virtual ICU
- Quality Assurance Projects for Department: CVC, Acute Airway mgt. & Resuscitation
- Education coordination- workshops, conferences including monthly Grand Rounds conference.
- Educational initiatives in critical care, trauma, PACU, Perioperative & simulation education.
- Hospital committee Chair positions: Resuscitation-Code Blue & Collaborative Practice.
- Hospital committee Membership - Infection control, Trauma, Transplant & Critical Care.
- Multiple patient care and leadership awards – Nursing, NYMC teaching & Patient Care.
- Assistant Professor of Anesthesiology at New York Medical College
  - NYMC faculty: Pharmacology, Pathophysiology, Fundamentals in Clinical Medicine, year 1 & 2, Transition to Clerkship & Residency programs & Simulation education advisor.
  - NYMC Education & Curriculum committees.

### **Director, Cardiac Intensive Care, April 2008 – March 2009**

Saint Francis Care: St. Francis Hospital and Medical Center, Hartford, Connecticut

- **Assistant Clinical Professor of Anesthesiology, July 2006 – May 2009**  
University of Connecticut School of Medicine, Farmington, Connecticut
- Largest CT-surgical program in Connecticut; 20 bed Cardiac ICU

### **Cardiac Anesthesiology and Critical Care, March 2006 – March 2008**

Waterbury Anesthesiology Associates for the Waterbury Heart Center, Waterbury, Connecticut

- A new cardiac surgical cooperative between St. Mary's and Waterbury Hospitals
- Responsible for cardiac anesthesia services including pre-admission assessment, TEE-ECHO system development, OR nursing education, quality assurance and billing consultation
- Educational and Simulation work with University of Connecticut School of Medicine

### **Associate Professor of Medicine, October 2007 – 2018**

Saint George's University School of Medicine, Grenada

- **Medical Director**, AHA teaching programs
- **Senior Counselor**, Office of Career Guidance. Advice and counsel medical students.
- **Lecturer**, Departments of Pharmacology and Allied Health Science.

### **Assistant Professor of Anesthesiology and Critical Care, September 2003 – January 2006**

Department of Anesthesiology and Peri-Operative Medicine, Oregon Health Sciences University, Portland, Oregon

- Clinical practice included 70% Cardiothoracic / Transplant program and surgical critical care.
- Committees: ICU Quality, CABG and glucose pathway development, Physician Champion Rapid Response Team, Simulation in Education, Code 99

# Glenn M. Brady, MD

29 Clift Lane  
Mystic, CT 06355  
Dr.Brady.CTAnes@gmail.com  
(203) 232 - 8636

---

## Education

---

### Stanford University School of Medicine

Fellowship in Critical Care, *August 2002 – July 2003*

### Geisel School of Medicine; Dartmouth College

Residency in Anesthesiology, *July 1998 – July 2002*

Honors: Department teaching award

### St. George's University School of Medicine

Medical Doctorate, *May 1998*

Honors: Dean's list, Chancellor's list, IEA Medical Honor Society

### Saint Michael's College

Bachelor of Science in Business Administration, *May 1987*

## Licenses and Certifications

---

**Active State Medical License:** New York, New Jersey, Connecticut, Rhode Island and California

**Inactive State Medical License:** Oregon

**Board Certification:** Anesthesiology and Critical Care Medicine – 2003 to 2013 & Recertification - 2013 to 2023

**Instructor:** American Heart Association - ACLS, PALS and BLS

American College of Surgeons - ATLS

## Leadership Positions

---

**Medical Director, YNH / Laurence & Memorial Hospital, Pequot Surgical Center, August 2020 - present**

**Physician Champion, YNH / Laurence & Memorial Hospital, EMS – RSI Program; 2019 - present**

**Physician Champion, YNH / Laurence & Memorial Hospital, Colon SSI Program; 2019 - present**

**Vice President, Alumni Association, St. George's University School of Medicine; 2015 - 2019**

**Physician Champion, Westchester Medical Ctr., Stop-the-Bleed Program, AAOS; 2017-2018**

**Chair, Westchester Medical Ctr., Collaborative Practice Committee; 2015 – 2018**

**Chair, Westchester Medical Ctr., Critical Care Resuscitation Subcommittee; 2015 – 2018**

**Physician Liaison, Westchester Medical Ctr., Trauma Program Committee; 2011 – 2018**

**Physician Liaison, Westchester Medical Ctr., Resuscitation Committee; 2011 – 2018**

**Physician Liaison, Westchester Medical Ctr., Infection Control Committee; 2010 – present**

**Physician Advisor, New York Medical College, Anesthesiology Club; 2009 – 2018**

**Physician Champion, Westchester Medical Ctr., Simulation: 2010**

**Physician Champion, St. Francis Care, CRBI, RRT, Therapeutic Hypothermia program: 2008**

**Physician Champion, OHSU, IHI, 100K Lives Campaign, RRT: 2005 – 2006**

**President, Dartmouth-Hitchcock House Staff Association: 2000 – 2002**

**Medical Director, Lebanon, New Hampshire Fire Department ALS: 2000 – 2001**

**President, St. George's University Student Government: 1995**

## Professional Affiliations

---

**Society of Critical Care Medicine, Member**

**American Society of Anesthesiologists, Member**

**Society of Critical Care Anesthesiologists, Member**

**Society of Cardiovascular Anesthesiologists, Member**

**Society for Simulation in Healthcare, Member**

**New York Road Runners, Medical team member**

**National Ski Patrol, Member**

---

## Simulation Teaching Experience

---

**Simulation Program Director & Development:** WMC & NYMC Simulation and Learning Center. 2010 - 2018

- Development of Anesthesia educational programs for students, residents & CCM fellows.
- NAPA system simulation initiative, assist in the development of MOCA training sites.
- Coordinator of AHA training and development for the College.

**Simulation Specialist:** Connecticut Simulation and Learning Center. Director Thomas Mort, MD, 2008

- School of Medicine educational programs for students, residents and fellows. Programs: Crisis Resource Management, Difficult Airway Workshops.

**Senior Simulation Specialist:** Simulation and Clinical Learning Center. Director- M. Seropian, MD, 2003 – 2006

- Instruction for the School of Nursing including faculty development, instruction of nursing students and Post Master's Nursing program
- School of Medicine educational programs for students, residents, critical care fellows and anesthesia faculty. Programs included Anesthesia orientation, Crisis Resource Management, Difficult Airway Workshops, Resident remedial program, ACLS re-certification, Pharmacology and Research mentorship
- Instruction for the Oregon Simulation Alliance; a statewide education consortium.

**Fellow:** Stanford University and Palo Alto VA Hospitals. Simulation Center directed by David Gaba, Steve Howard and Juliana Barr. 2002 – 2003

**Instructor:** National Ski Patrol, Lebanon Fire Department, St. Clare's Health System. 1994 – 2008

## Lectures and Presentations

---

**New Hampshire DHMC Trauma Symposium:** *Airway Management Alternatives*. Trauma Symposium Dartmouth-Hitchcock Health System and New Hampshire OEMS, Lebanon, NH October 2000

**National Simulation User Group Meeting:** *Debriefing: The Hard Part of Simulation*. Hilton Conference Center, Portland, OR November 19, 2004

**Post-Master's Certificate Option in Nursing Education:** *Debriefing*. OHSU School of Nursing. Portland, OR August 11, 2005

**Trends in Respiratory and Acute Care Conference:** *Zap Ventilator Associated Pneumonia*. Oregon Health Science University, Portland, OR September 29-30, 2005

**Vascular and Interventional Radiology Conference:** *Patient Safety: Sedation; is it safe to go to sleep?* Dotter Interventional Institute, Portland, OR October 7, 2005

**Simulation Summit:** *Debriefing Essentials*. Legacy Health Systems, Portland, OR October 7, 2005

**Cardiac Surgery Symposium:** *Immediate Post-Operative Management*. Oregon Health Science University, Portland, OR October 22, 2005

**Department of Pharmacology:** Lecturer in autonomic and neuromuscular pharmacology. Oregon Health Science University, Portland, OR Fall 2004 & 2005

**Oregon Simulation Alliance Training:** *Debriefing: A Facilitated Dialogue*. Oregon Simulation Alliance, Portland, OR April 29, 2005 & December 9, 2005

**Speakers group, PDL-BioPharma:** Cardene in the management of Hypertension. Retavase use in STEMI, 2006-2007

**Department of Behavioral Science:** Lecturer in Resuscitation elective: ACLS. St. George's University, Grenada, 2006-Present

**Department of Pharmacology:** Lecturer in anesthetic & neuromuscular pharmacology. St. George's University, Grenada, WI Spring 2008-2010

**American College of Emergency Physicians,** Connecticut Annual meeting: *Hypothermia in Cardiac Arrest*, November 2009

**Department of Pharmacology,** New York Medical College: Lecturer in pain pharmacology, Spring 2009, 2010, 2011

**Department of Surgery,** New York Medical College: *Airway Management in Trauma*, January 2012

**Department of Pharmacology,** New York Medical College: Lecturer in pain pharmacology, Winter 2012

**Department of Surgery,** New York Medical College: *Respiratory Physiology*, February 2012

**Department of Surgery,** New York Medical College: *Periopertive ACLS*, August 2012

**Department of Pharmacology,** New York Medical College: Lecturer in pain pharmacology, Winter 2013

**Department of Pathology,** New York Medical College: Lecturer in Cardiovascular Pathophysiology, Fall 2013

**Department of Emergency Medicine,** New York Medical College: *Airway Management in Trauma*, Fall 2013

## Lectures and Presentations

---

**Sociedade De Anestesiologia Do Estado De Pernambuco** – The Pernambuco State Society of Anesthesiology. *Instructor Workshop in Simulation*. State Society meeting, Recife, Brazil, *November 2013*

**Department of Pharmacology**, New York Medical College: Lecture - pain management, *Winter 2014*

**New York State Society of Physician Assistants: Hot Topics in Medicine: Medical Simulation - Optimizing Allied Health Professions Training**. NYSSPA Fall Conference, Tarrytown, NY, *October 2014*

**Congresso Brasileiro De Anestesiologia** – The National Brazilian Congress of Anesthesiology. *Instructor Workshop in Simulation & Panel of Simulation Implementation*. National Congress, Recife, Brazil, *November 2014*

**Department of Pathology**, New York Medical College: Lecturer in Heart Failure Pathophysiology, *December 2014*

**Department of Emergency Medicine**, New York Medical College: *ED Complex Airway Management*, *January 2015*

**Department of Pharmacology**, New York Medical College: Lecture: Pain Management, *February 2015*

**Department of Pathology**, New York Medical College: Lecturer in Heart Failure Pathophysiology, *December 2015*

**Department of Pharmacology**, New York Medical College: Lecture: Pain Management, *February 2016*

**Department of Medicine**, New York Medical College: Workshop: Transition to Residency, *April 2016*

**Department of Medicine**, New York Medical College: Workshop: Transition to 4<sup>th</sup> year; Team training, *April 2016*

**WMC Health Network**, Roadside to Bedside Trauma Conference: Difficult Airway in Pediatric & Adults, *June 10<sup>th</sup> 2016*

**Department of Pathology**, New York Medical College: Lecturer in Heart Failure Pathophysiology, *December 2016*

**Department of Pharmacology**, New York Medical College: Lecture: Anesthetic Management, *February 2017*

**SGU Alumni Association CME conference**, St. George's University School of Medicine, Grenada, WI: Difficult Airway Workshop, *March 2019*
