Aug 11 & 12, 2022
MCLI
228 W Miller St
Springfield, IL 62702

Objectives:

The **Fundamental Critical Care Support (FCCS)** course from the Society of Critical Care Medicine provides healthcare professionals, including those with non-substantial experience in the ICU, with the training to manage critically ill patients for the first 24 hours or until appropriate critical care consultation can be arranged.

Course Details:

- **Access** the 17 interactive didactic modules of the **Seventh Edition of the FCCS course** online (content same as in the live version) from the comfort and convenience of your home
- Assess your knowledge at your own pace with Pre- and Post-Tests.
- Join us for "**Live Skills Stations**" on August 11th and 12th 2022

Skills Stations on (1 to 4 pm CST)

- Mechanical Vent -1
- Mechanical Vent-2
