Dear Nominations Committee for the OCCM,

I am submitting a self-nomination for the Member-At-Large Position. Over the last several years, I have held more active roles in SCCM committees, subcommittees and sections, including the Anesthesiology Section Steering Committee and chair and vice chair for the Anesthesiology Section Reception Subcommittee. Additionally, I have been an active leader in the critical care activities in my own department and healthcare institution, with roles that currently include: Director of Anesthesiology CCM, CVICU Director, ECMO Director, Co-Director of ICU CDIS and Co-Director of the Critical Care Task Force. The reason for my interest in this position is to afford change and further support the mission of the SCCM, specifically the Ohio Chapter while broadening my focus to include all disciplines of critical care on a state-wide level. This position provides me the opportunity to do just that. With my local and regional multidisciplinary critical care leadership experience along with my national critical care leadership roles in the field of Anesthesiology, I believe I will be effective in fulfilling the mission of this position. Thank you for considering my nomination for the member-at-large position.

Regards,
