

You are cordially invited to a Live Webcast

The Rising Threat of Gram-Negative Resistance During the Pandemic

FEATURED SPEAKERS

Bruce M. Jones, PharmD, FIDSA, BCPS

Dr. Jones is an Infectious Diseases Clinical Pharmacy Specialist at St. Joseph's/Candler Health System practicing in the Savannah City-Wide Antimicrobial Management Program. He also serves as an Adjunct Clinical Associate Professor for the University of Georgia College of Pharmacy and a Clinical Preceptor for Mercer University, University of Georgia, University of South Carolina, and South University Schools of Pharmacy. He received his Doctor of Pharmacy degree from East Tennessee State University Gatton College of Pharmacy in Johnson City, Tennessee. He then completed a Postgraduate Year One (PGY1) Pharmacy Practice Residency at St. Joseph's/Candler Health System. Dr. Jones is a member of IDSA, ASHP, GSHP, ACCP, SIDP, and the Southeastern Research Group Endeavor (SERGE-45). Dr. Jones currently serves on the BPS Pharmacotherapy Specialty Council and is board certified in Pharmacotherapy (BCPS).

Joshua Rosenberg, MD

Dr. Rosenberg is the Chair of Critical Care and Chair of Infection Control at Brooklyn Hospital in Brooklyn, New York. Dr. Rosenberg graduated from Tel Aviv University's Sackler School of Medicine in 2001. Dr. Rosenberg completed his post graduate training in internal medicine, infectious diseases, and critical care medicine at SUNY Downstate Medical Center. In his current practice Dr. Rosenberg rounds in the Critical Care Unit and is the primary Infectious Disease consultant for all patients within the Critical Care Unit. Dr. Rosenberg is also in charge of quality for Internal Medicine and antimicrobial stewardship within the Hospital. Dr. Rosenberg's current areas of research focus on patient outcomes in the setting of severe multidrug resistant infections and viral illnesses requiring ICU hospitalization.

This promotional event is brought to you by AbbVie and is not certified for continuing medical education.

The speaker is a paid consultant presenting on behalf of AbbVie and the information being presented is consistent with FDA guidelines.

This event is conducted in accordance with the PhRMA Code on Interactions with Healthcare Professionals and is limited to invited healthcare professionals (HCPs). Attendance by guests or spouses is not appropriate. It is AbbVie's policy to include only those HCPs involved in patient care consistent with our product indication(s).

The cost of meals and refreshments provided to the U.S. HCPs may be subject to public disclosure. AbbVie's disclosure will allocate the cost of meals and refreshments equally across all attendees regardless of actual consumption. AbbVie abides by applicable federal and state laws, which prohibit or limit the ability of government employees and certain healthcare professionals to accept items of value from AbbVie. Please comply with applicable law. Attendance might be limited to company policy on product indication and promotion.
