

Critical Care Virtual Webinar **SCCM Midwest Chapter**

Wednesday, February 8, 2023 at 6:00pm CDT

Bleeding and Clotting...Oh My! Coagulation Assessment and Anticoagulation Management in the PICU

Presented by: Kristen Nelson McMillan, MD

Dr. Kristen Nelson McMillan completed medical school at Louisiana State University, residency in pediatrics at Louisiana State University, and fellowship in pediatric critical care at The Johns Hopkins Hospital. She currently an associate professor in the pediatric critical care division for the University of Chicago Medicine, practices pediatric cardiac critical care at Advocate Children's Hospital and Comer Children's Hospital, and practices pediatric advanced heart failure at Advocate Children's Hospital. She is also the medical director for pediatric mechanical circulatory assist devices and cardiac antithrombosis and pediatric pulmonary hypertension at Advocate Children's Hospital.

Objectives

- Review coagulation abnormalities that can be common in PICU patients.
- Discuss anticoagulation strategies for PICU patients both on and off mechanical circulatory support.
- Discuss current data available for use of alternative anticoagulants (IV, SQ and oral) in the PICU.

This webinar is offered free of charge to those that attend

The Zoom link will be sent after you register prior to the webinar
